

Hello Las Vegas High School 1970 Wildcats,

As it was in 1970, it is most certainly now. As a Nobel Prize winner wrote, “The Times They Are A Changin’ ”. Isn’t that the truth? Who would have ever thought that with all we’ve been through and seen, we would now be going through a pandemic!

The Las Vegas High School 1970 Wildcat class reunion committee hopes this finds you safe and well during these trying times.

We were all so disappointed that the planned festivities were cancelled for this year. Good, actually great, news is we were able to reschedule the reunion until **September 25, 2021**. Even better is that the Las Vegas Country Club rolled over our deposit until 2021 with NO, ZERO, NADA penalty. This positive endeavor was made possible by our fellow classmate and 1970 Homecoming Queen, Merle Jensen. Many thanks go out to Merle for all her hard work. Once again, she comes through for us!

In view of the current COVID-19 situation and all the unknowns for the coming months, we are faced with so many potential restrictions (wearing masks, social distancing, etc.) that it will take away all the fun of being able to mix and mingle and visit with friends. Which is, after all, why we all go to the reunion! We are *really sorry*, but didn’t want to wait any longer to make this decision – especially for those of you that would be coming from out-of-town and need time to make travel and hotel reservations. We have scheduled the reunion for next year, so **please save the dates on your calendar now: Friday, September 24, 2021 through Sunday, September 26, 2021.**

Please keep us updated with your contact information. Also, if you know of fellow classmate(s) that has/have not received any of our mailings please pass this information on to them. Then pass on to us their contact information so we can keep them in the loop as to what’s happening. We still have some Wildcats out there that we have no contact information. This would be greatly appreciated and would make for a fabulous reunion for us all.

Once again Wildcats, stay well and safe. We’ll see all of you in 2021.
