Preservation and Renovation of the Las Vegas Academy Main Building and Gymnasium

The LVHSAA has recently been actively involved in meetings and discussions regarding the preservation and renovation of the Las Vegas Academy campus (the old Las Vegas High School). The Clark County School District is planning to construct a new building on the existing LVA campus (where the football field was), and does not have any funding planned for upgrading the old buildings. A recent article in the Las Vegas Review Journal brought a lot of attention to this issue. Recaps of recently activities, including meetings with the LVA Principal, a senior CCSD Trustee and the CCSD Bond Oversight committee were given by Senator Bryan, Bruce Langson and Bob Stoldal. After a lengthy discussion, everyone in attendance agreed that it would be best if the main building, gym, Frazier Hall and Industrial and Vocational Arts building could be upgraded so they could continue to be used as part of the LVA. The board agreed that we need to look into how the existing historic buildings could be utilized and that we need to explore all avenues of historic preservation, including groups like Preserve Nevada Commission and the Nevada Preservation Foundation. We will also look into having Frazier Hall and the Industrial and Vocational Arts building added to the National Register of Historic Places. Bruce will request to be on the agenda for the next CCSD Bond Oversight Committee meeting to find out the current status and to be sure they are aware of our intentions. Due to these decisions, we will now refer to this project as the “Upgrading and Expansion of the Las Vegas Academy Campus”.

COMMITTEE UPDATES

Fund Raising

Allen will check into the possibility of getting a better price for the fund raising function we hoped to hold at the Springs Preserve. As an alternative, we discussed maybe having a live auction at the Wildcat Reunion in September for the painting of LVHS done by well-known artist Roy Purcell. A decision will be made at our next meeting. Patty reported that we did not receive any donations to the scholarship fund since the last meeting. Bruce will be donating red and black necklace pendants which will be sold at the Wildcat Reunion.

Membership

We received one new membership since the last meeting – a 2014 graduate that we had previously given a free membership for a year. Over the last month, 1 member died and 1 membership was renewed, which had expired in 2016. We currently have a total of 289 paid annual members and 164 lifetime members, plus 8 honorary members and 10 free members (2016 grads and scholarship winners), for a total of 471 members in good standing. There are 65 memberships that expired 09/30/16 that have not yet been renewed. A final reminder was included in the Wildcat Tales that was just sent out, so we expect to receive more renewals soon.

Scholarships

Information about our scholarships has been posted on both the LVHS and LVHSAA websites and on flyers at the school. Matt will pick up applications on has scheduled pick-up of applications for April 4. The Scholarship Committee will review the applications on Sunday, April 9 at 11 a.m. Matt will advise the counselors who the recipients are on April 17. Jill suggested that we present the scholarships at the Senior Awards Night to be held on May 25.

Wildcat Reunion

Patty has contacted the photographer recommended by Bruce and is waiting for details back from him. We will be allowing use of credit cards for the memorabilia at the reunion. The reunion committee will be meeting on April 27. It was just learned that the second home football game of the season will be held the same night as the reunion. Since several classes have already made plans for their reunions to be the night before the Wildcat Reunion, it is not possible to change our date. We will be checking with the school regarding the availability of the band, cheerleaders and Student Council to help us at the reunion.
